

TRAVAIL DE MATURITE 2010-2011 : Proposition de thème

Titre : Language Acquisition

1. BRANCHE(S) CONCERNEE(S) : anglais
2. Prof. responsable(s): Nadine Cotting + Jacqueline Vogt
3. Thème du séminaire: How first and second language is acquired

3.1. Bref résumé de la problématique :

This theme deals with how language is acquired. It can be divided into two main parts; how one's first language is acquired and developed, and, how a second language can be assimilated.

3.2. Propositions de sujets pour les travaux inclus dans ce thème :

- Bilingual first language acquisition (First LA)
- How do children develop language ? (First LA)
- Push and pull factors in second language acquisition (Second LA)
- Learning the target language abroad (Second LA)

Considérations méthodologiques :

Reference literature in English and paper to be written in English.

4. Compétences requises et / ou intérêts souhaités chez l'élève :

Good level of English. Ideal for students who consider studying English at university level.
